I authorized the Institute for Spiritual Development Washington DC to charge the above credit card account once a month for the designated amount(s). Weekly pledges will be multiplied by the number of Sundays in that month. I understand that I may cancel or alter the service at any time in writing. The pledge will be calculated beginning January 1, 2019 or the first Sunday after the date signed, whichever is later. I understand that the pledge year will run through December 31, 2019. This information is to be kept confidential.

Thank you for generous support!
